LAW AND JURISDICTION

For any dispute relating to this legal notice the parties agree to submission to the Spanish jurisdiction.

Privacy Policy

A cookie is a small file containing an identifier sent by a website. It is stored on your browser so that the website can refer to your previous activity.
The main functions of cookies are:

•Tracking users: when you enter your username and password a cookie is stored so you do not have to re-enter them on each server page. Cookies do not identify a person but rather a combination of computer, browser and user.

•Analysing users' browsing habits, etc.

Third-party cookies on the website:

Type	Company	Purpose	More Information
_utma			
_utmb			
_utmc			
_utmz	Google	Anonymous browsing to learn what is viewed and browsing habits.
